

Introduction

The Ultimate Swing Team was the one assigned to the riding of Port Moody-Coquitlam in the lead-up to the by-election. Due to its importance, this was a very special swing team indeed. There were three staffers from the Premier's Office; Dimitri Pantazopolous, Kim Haakstad, and Trevor Halford.

Haakstad and Halford both had familiarity with the riding, of course, since it was where Christy got her start as an MLA and was also represented by Iain Black, for whom Halford had previously served as an EA.

Also familiar with the riding was Joan Dick, formerly Iain Black's MA and his campaign manager in '09. She was a member of this swing team as well.

Other members were Dave Stickney, Heather Doi from Caucus Research, and Christie Pruden, the EA to the Executive Director of Caucus. Dave Ritchie was the titular head of the team.

Good morning:

As we didn't meet last week I thought everyone might want to hear about issue surrounding Heritage Middle School Here is an update on what's happening with the Heritage Middle school daycare situation. Looks like the issue is that this place simply isn't built yet – but a lot of progress has been made. Let me know if you need anything else. Thanks.

Village of Anmore – Major Capital Funding

Update as of September 21, 2011:

- Village council and School District #43 (Coquitlam) have completed discussions regarding the proposed child care facility.
- They have decided that the School District will create new child care spaces within the new proposed middle school (Heritage Middle School), Neighbourhood of Learning.
- Ministry staff have requested the School District provide a detailed project budget, number and type of child care spaces to be created and proposed construction schedule.
- Once the required information is received - the ministry will review for approval and coordinate the transfer of the capital funding and funding agreement.

*We did ask Ministry staff if there was any "issue" here, and they indicated that while this is certainly a good news update, there have been issues in the past regarding the fact that the child care centre is not being built yet (the delays). The Ministry is working with the School District to get this situation resolved.

Background History:

- The Ministry provided the Village of Anmore (community north of Port Moody) with Major Capital Funding in 2007/ 2008.

- The funding was \$499,500 to create 45 licensed child care spaces.
- The Ministry has a clear agreement that money for major capital funding projects cannot be used for another purpose. We are very clear about how child care major capital funding is used.
- The major capital funds remain in place for the Village of Anmore to build a new child care facility.
- There were a number of delays in getting this child care facility built, including a legal matter between one of the bidders on the RFP and the Village.
- The Ministry did not get involved in any of the legal matters, as those were an issue between the bidder in question and the Village.

Hi,

Would it be possible to get an updated event listing re: PMC? Ideally, with as far of an outlook as possible, and any priority or recommended events that Iain's constit folks would have.

Thanks,

Dave

That's solid, but a couple points:

- 1) We can start removing events that have passed.
- 2) There is now a push from the party/PO to start pushing more Caucus to events in the riding. I can handle this from a Speaker's Bureau perspective, but I will need a longer term view, particularly in the post-municipal election window.

Have the CAs fed into this list recently?

Subject: Minister and MLA Speaker's Bureau

To:

Hello everyone,

To update you all on a practice we are starting up again, we are restarting a Speakers Bureau for our Ministers, Parliamentary Secretaries and MLAs.

The purpose of restarting this is to engage riding associations to hold high quality events in ridings across the province where our Ministers, Parliamentary Secretaries and MLA can speak to and energize our local volunteers.

To accomplish this, we hope to put in place the following process:

- 1) Riding Associations feed in requests for Ministers/Parliamentary Secretaries/MLAs to attend particular events to their BCL Regional Organizers.
- 2) Regional organizers will feed these requests into Lorne Mayencourt and Dave Ritchie (copied above). Lorne and Dave will take the lead on finding Ministers/Parliamentary Secretaries/MLAs to attend these events. They will liaise with staff to find members to attend these events.
- 3) Once a Minister/ParlSec/MLA has been located, Dave and Lorne will pass off the staff contact directly to the riding association, so that the staff and the local organizers can coordinate directly.

We have high hopes that this process will be effective in better connecting our riding associations with MLAs from across the province. Additionally, we hope this will effective in making sure every single one of our riding associations is active and growing stronger as we get closer to May 2013.

Thanks you for your cooperation,

Kim
